Thank you for taking the time to answer a few questions for the Germantown Academy Counselor in Training program. The CIT Program is designed to teach responsible teens the essentials of becoming a quality leader, employee, and camp counselor. CITs participate in workshops and discussions to learn about basic childcare, conflict resolution, behavior management techniques, camp organization, activity planning, and job application and interview skills. This is a selective program and enrollment is limited. Your honest feedback is greatly appreciated in helping to select this year's group.

Please return this form to the attention of Summer Programs by **May 16, 2011**.

Thank you,
