

ACADEMICS/ENRICHMENT/ TECHNOLOGY

Dear Parents:

We are pleased that your child will be joining us at Germantown Academy to experience an Academic, Enrichment or Technology course. We are certain that the weeks here will be both interesting and rewarding. Check the chart in at the end of this packet to see a list of classes and their related drop off areas.

Camp employees are available for questions in all drop-off locations. If your child is also enrolled in Day Camp after Academics, Afternoon Art Quest, or a Sports Camp After Academics he/she will be met by a counselor at the appropriate time and escorted and driven to the appropriate camp, class or field.

If your child is enrolled in Day Camp before an afternoon class, she/he will be escorted to class from Day Camp as well.

Campers enrolled in the courses to the right need to purchase the text required for the class. Campers should purchase texts prior to the first day of camp.

Course	Book Title	ISBN	Publisher
Pre-Algebra	Pre-Algebra	0-13-037918-2	Prentice Hall Mathematics
Algebra 1	Elementary Algebra	0-321-23388-3	Bittinger
Algebra 2	Pre-Calculus Graphs and Models, Fourth Edition	978-0-321-50152-3	Bittinger, Beecher, Ellenbogen and Penna
Geometry	Geometry	978-0-395-97727-9	Jurgensen

Best wishes for a productive summer! Please do not hesitate to contact us if you have further questions.
