

# Friends and Family Rebate Offer

*Tell a friend about GA Summer Programs  
and you can earn \$50.*

Thank you for your interest in our rebate program. We are excited about this opportunity to bring new campers to Germantown Academy to experience the many programs that we have to offer. We know from our survey that most new campers come to us through referrals. Our rebate program is designed to reward those families who are referring our camp to friends and family.

To be eligible, there are a few rules that apply:

1. **IMPORTANT:** To be eligible in the program, please notify the Summer Programs office by email the name of the family you are referring to GA Summer Programs no later than August 3, 2012.
2. The rebate is extended only to a family that has a camper already registered for at least one week in the summer of 2012.
3. The new applicant can be a friend or a family member, but they may not have attended Germantown Academy Summer Programs at any time in the past.
4. The new applicants must register for and complete at least two weeks of camp in the summer of 2012.
5. Rebates will be awarded by check in August, after the eligible recipient has attended at least one week of camp and the new applicant has attended at least two weeks of camp in the summer of 2012. A rebate check will be mailed by August 31, 2012.
6. Employees of Germantown Academy and their families are not eligible for the rebate program.
7. There is no limit to the number of times the rebate can be extended given that the conditions for receiving the rebate are met.

**Questions?** Please email us at [summer@gacamp.org](mailto:summer@gacamp.org) or call 267.405.7321.
